Family violence – Principal Strategic Advisors

(Formerly titled Regional Integration Coordinators - RICS)

The role of the PSA is to develop and support partnerships between regional family violence services (women, children and men's services) and other key sectors and services, such as Child FIRST/Family Services, child protection, mental health services, homelessness services, housing services, Courts, Police and Indigenous Family Violence Regional Action Groups.

PSA's also convene local Family Violence Regional Integration Committees, groups of services that work with family violence and meet regularly to identify issues and potential improvements in the system's response to women, children and men. The local Committees feed information to regional and state-wide committees who monitor and work to improve the system response across Victoria.

Each PSA is based in an auspice agency. Below is a list of the regions and the agency in each region that auspices this position.
